Together we are even stronger

The Corona crisis has posed a great challenge to families in particular. We would like to say a big **thank you** to our fantastic staff and your wonderful families who have supported the recent health measures and restrictions. This made our first corporate event since restrictions eased all the more special as we spent last Friday, 16 July with our staff and their families enjoying a fun day out in the Wildpark Lüneburg Heide wildlife park and the Heide Himmel treetop walkway.

Socially distancing yet together, we were able to relax, enjoy a change of scenery and get some fresh air amid the stunning natural beauty of the Lüneburg Heide. Children were able to roam carefree around the fantastic play areas and see incredible animals up close. The boss himself took care of refreshments and pulled a food cart through the park. To round off a really fun day, we enjoyed a very pleasant meal at the Wildpark Restaurant.

A special THANK YOU also goes to the wonderful Office Management team who organised this day out!

We’re already looking forward to future ASCONSIT team events, which are - naturally - a firm fixture of the company!
